Please accept these comments as restated below from
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 255C3 to Quanah, Texas as that community's first competing FM service. Quanah, Texas is an incorporated city with a population of 3,022 people and 181 businesses that have been given a credit rating by Dun & Bradstreet as of the last quarter of 2000.¹ Quanah has its own mayor, Chester Ingram, its own post office, fire department, police department, city offices, school system and a number of local churches. Quanah is a community that is certainly

deserving of a competing FM service. The proposed channel 255C3 will provide additional diversity and an outlet for local self-expression to Quanah residents and therefore is in the public interest.

Should this petition be granted and Channel 255C3 allotted to Quanah, Texas, Petitioner will apply for Channel 255C3 at Quanah and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
